

Our Services

About Us

Safe Choice has more than fifteen years of law enforcement experience. We have a known history of routing out the criminal element from apartment buildings through surveillance, arrests, and prosecution.

Safe Choice provides security officers to clients in diversified industries such as professional office buildings, residential apartment building, retail stores and medical facilities. In addition, Safe Choice provides security at public and private events.

Safe Choice takes into consideration not only the safety and well being of the employees, visitors and customers and tangible and intangible assets.

We are committed to provide quality customer service to all of our clients.

- **Provide Police Officers**

Safe Choice L.L.C.

Why Choose Safe Choice?

Most companies in this genre offer a single level of service. Our company offers customized services to meet your needs. Safe Choice will meet with our clients and perform an on-site inspection and evaluation to develop a solution for your specific needs.

We staff only highly qualified state certified and licensed police officers and security guards. Our officers receive the highest wages to ensure their well being, and to ensure they maintain a level of commitment and service.

Through training, leadership and executive quality control, we provide a higher standard in today's security operations.
